In September 2011, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 201109, which revised the accounting disclosure requirements for employers participating in multiemployer pension plans. The purpose of this page is to assist employers contributing to the 32BJ School Workers Pension Fund (the "Fund") by providing certain information about the Fund that may be necessary for employers to comply with the new FASB reporting requirements. Please note that the Fund has provided this information as a courtesy to contributing employers. The Fund is not, however, providing tax or accounting advice. In addition, the information below represents only a portion of the information required in accounting disclosures.
